

PACE Board Report

Room parent breakfast did not occur because people were unable to attend. We have rescheduled for before Meet the Teacher.

PACE membership is going well, it looks like it will be up slightly from last year.

For Catholic Schools week- will be giving the karate people a free lunch and a token gas card for their time and services. All is within budget for Catholic Schools Week. Retreat is also planned.

Treasurer will submit budget to the Board of Ed as soon as dues are in

Welcome to St. Bernard Sign- PACE/ mentors placed signs in new families' front yards welcoming them to St. Bernard. We have had many positive comments and were able to retrieve all but one sign to use again. We will continue this tradition and consider extending it to all new students and purchase some more new signs for next year.

Mentor program is going well. Some mentors are getting asked very difficult questions (financial). Kay has told us to refer those type of questions to the office where they could offer some help.

SCRIP sales huge since the 50/50 tuition credit- the work hours are quite large for the coordinator and we might have to look into it as being a shared position in the future.

First Market Day was September 14th

Upcoming Events:

- Principals Coffees (three in Oct. k-2,3-5,6-8)

- Walk Your Child to School

- Fall Feast

- Family Night
