Scrip Terms

QuickScrip is the Scrip we keep on hand every day. The vendors include a variety of vendors.

Special Order Scrip is scrip not held in inventory. Special orders are placed with our Scrip provider on Monday mornings and are typically available after 12:00 noon on that Thursday. A list of retailers is available on shopwithscrip.com.

Scrip Agreement indicates how you want your rebate distributed and provides contact information.

Presto Pay is an automatic withdrawal from your checking account (\$.15 charge per order) through the ShopWithScrip program. Using Presto Pay you'll receive eGift cards and ReloadNow funds immediately, and you'll have access to MyScripWallet.

ScripNow®

ScripNow is an eCard that you can buy and receive instantly. You can print the ScripNow, or redeem it on your mobile device for certain retailers. They are immediately available when you pay with PrestoPay.

Reload and ReloadNow®

Some physical gift cards are available for either Reload or ReloadNow. Register an eligible gift card you purchased from ShopWithScrip and add funds to it when the balance is running low. Funds will be added overnight for cards that offer Reload, and instantly for ones that offer ReloadNow when you pay with PrestoPay™.

This is a great option if you don't have time to physically pick up cards. You need to purchase a card from the St. Bernard scrip program once and then you can reload it in the future. See the retailer list on ShopWithScrip.com for a list of vendors available for reload.

MyScripWallet

MyScripWallet is ShopWithScrip's mobile website that you can use to order ScripNow, Reload, and ReloadNow on-the-go.

SCRIP: WHAT IS IT?

Scrip is a volunteer based fund-raising program.

Why buy Scrip?

Scrip generates funds for the parish and school and you can use the scrip card the same as gift cards you would normally purchase from a retailer in your local retail stores.

Does my purchase really make a difference?

YES. Rebate percentages vary by vendor but most average about 5%. If you purchase \$200 of scrip per month you are contributing \$10 or more. These retailers are just waiting to give money to St. Bernard! The earnings add up quickly.

How does it work?

You purchase the scrip cards from St. Bernard at face value and use the cards for your purchases. St. Bernard purchases the cards at a discount and retains the difference to be used for parish or school purposes.

How do I buy scrip?

Quickscrip is the Scrip we keep on hand every day. You can purchase QuickScrip at the parish office or at weekend Masses at church.

Special Order Scrip is scrip not held in inventory. Special orders are placed with our Scrip provider on Monday mornings and are typically available after 12:00 noon on that Thursday. A list of retailers is available on shopwithscrip.com.

Online ordering: This is a great and easy way to get your scrip. You will have the option to pay with a check or use the secure online payment system called Presto Pay.

You don't even have to physically pick up scrip cards if you use ScripNow and ReloadNow for available vendors.

Online orders for physical cards are placed with special orders. If your order contains only quickscrip you can also print the order and bring it to the parish office or weekend sales to be filled.

Why set up an online account?

You can order your scrip online anywhere at your leisure. You can manage your account through your Dashboard. You can also run your own order and rebate history reports and view or print any ScripNow® eCards that you've previously ordered.
